

October 2021 Leadership Academies

Attendee Safety Guidelines

The health and safety of our attendees, exhibitors, faculty, and staff remains our top priority. In lieu of the ongoing COVID-19 outbreak and surrounding variants, **SHM requires all who attend the Leadership Academies to be fully vaccinated.** Prior to your arrival, we will verify your vaccination status and for added security we will require verification proof at the event registration desk.

Additional Protocols

- We ask all attendees to practice social distancing and wear a mask at all indoor functions
- All materials will be available via mobile app, in lieu of physical binders, to reduce person-to-person contact
- Charging stations will be accessible at each table in session rooms for your convenience
- Badges will be pre-printed and disinfected for pick-up only
- Registration will offer a location for badge changes, if needed
- Colored badge holders are available to present your comfort level with person-to-person interaction:
 - Yellow: Elbow bumps welcome, but still being cautious.
 - Red: My bubble is six feet, please keep your distance.

Additionally, the staff of the Omni Amelia Island working SHM Leadership Academies will wear masks indoors while at the event. Audiovisual staff working with faculty and staff are fully vaccinated, masked, and will follow strict cleanliness rules in regards to cleaning highly utilized equipment.
